Confirmed Cases by Age	Number
Under 20	20
20-39	101
40-59	71
60-79	34
Over 80	8
Confirmed Cases by Gender	Number
Female	118
Male	116
<b>TOTAL</b>	<b>234</b>

## EMERGENCY MANAGEMENT:

- The Walla Walla County Emergency Operations Center (EOC) has downgraded to Level 2, Limited Operations, effective 05/28/2020 as of 0800.
- As of 03/24/2020 Walla Walla County Emergency Management continues to work remotely in order to limit exposure that might affect 911 and dispatch personnel who share the facility.
- The Walla Walla County Commissioners signed a Declaration of Emergency, effective 3/13/20 at 2 PM.
- The City of Walla Walla signed a Declaration of Emergency, effective 3/17/20, extended on 4/8/20.
- The City of College Place signed a Declaration of Emergency, effective 3/17/20, extended 6/9/20.
- The City of Waitsburg signed a Declaration of Emergency, effective 3/18/20.
- The Port of Walla Walla signed a Declaration of Emergency, effective 3/19/20, extended 5/28/20.
- The City of Prescott signed a Declaration of Emergency Effective 3/19/20.
- Walla Walla County remains in modified operations/access during regular business to certain county departments.
- Remains in a Unified Command with Walla Walla County Department of Community Health. Unified Command was established 3/13/20 at 2 PM.
- Washington State Emergency Management is now requesting that all Tier 1 priorities be consolidated into a single order. Long Term Care facilities are now considered to be part of the Tier 1 priority, with further changes expected. Tier 2-4 priorities will be consolidated in a 2<sup>nd</sup> request. Next request period will be for the week beginning 7/20/2020.
- PPE tier allocation is changed beginning June 5, 2020, to allow Tier 1 requestors to build on hand supplies to levels sufficient for 14-21 days.

# SITUATION REPORT #90

## 1. Outstanding Resource Requests

WA State Tracking Number	Request Date	Agency	Current Status
WA-2020779455	7/7/2020	Tier 1 Consolidated PPE request	In-Process
WA-202071013631	7/10/2020	Tier 1 Consolidated PPE request	Accepted by Logistics
WA-202071013217	7/10/2020	Non-Tiered support for Wild Land Fire.	Accepted by Logistics

## 2. Effective Strategies and Successes

- Walla Walla County Department of Community Health (DCH) met with LTC/ALF/SNF community to stay connected and updated with open dialogue on COVID-19 status in WW Valley.
- Local Health Officer, Prosecuting Attorney and Local Emergency Response Coordinator completing Voluntary and Involuntary Isolation Orders specific to COVID-19.
- Maintain contact with media to keep the public informed.
- Unified Command calls providing regular communication and collaboration.
- Frequent messaging on Facebook, including Spanish-language posts.
- Providence St Mary Medical Center (PSMMC) Population Health team monitoring PUIs and cases, their awareness of community happenings.
- Blue Mountain Action Council (BMAC) food bank distribution in collaboration with Washington National Guard (WNG).
- Southgate Campus Acute Care wing setup.
- Addressing homeless needs for isolation and quarantine during pandemic.
- DCH Environmental Health team consults for prevention planning for essential businesses.
- Controlled access to WalMart, Home Depot, Albertson's and Safeway.
- Procurement of PPE from Washington State Department of Corrections.
- Continued partnership with WNG.
- DCH virtual meetings with LTC/ALF/SNF community to stay connected and updated with open dialogue on COVID-19 status in WW Valley.
- Proactive work on PSA's and infographics with digital marketing company.
- Solid protocol established between Coroner's Office and PSMMC.
- Tyson compliance with DCH/L&I Essential Business Guidelines and testing of employees.
- Delivery of PPE supplies and test kits from UAC SEOC has enabled us to provide much needed protection to our whole community.

# SITUATION REPORT #90

- Experience with annual flu immunization clinics and long history of working together gave us the ability to quickly put together a team for testing at the Tyson Plan. 1,290 Tyson employees tested with staff from PSMMC & DCH.
- Aggressive testing at long-term care facilities.
- Spanish-language PSA's on local Spanish-language radio stations.
- Approval of additional DCH positions and increased hours by the Board of County Commissioners.
- Media specific email and phone number established, the centralized PIO email/phone number is working well and is helping with coordination of interviews.
- Protocols developed by PSMMC to do surgeries for most compelling cases that were delayed.
- Volunteer staffing at DCH.
- DCH/PSMMC/Coroner/Consulate's Office worked together to support a local family with international funeral arrangements.
- PSMMC has done a great job of allocating resources, workers, and supplies for the patients under investigation awaiting results.
- DCH conversations with school districts on distance learning strategies and graduation planning.
- PSMMC tabletop exercise for activation of PSMMC's auxiliary hospital; well attended by community partners.
- Formation of business/economy reopening workgroup. Workgroup team meetings including townhall Q&A with local businesses; webinars to help educate businesses. Continued frequent meetings of the workgroup. Use of Chamber of Commerce website for posting documentation/guidance.
- Washington National Guard deployment extended for support of food bank operations to end of July/mid-August.
- Tour of PSMMC Alternate Care site, DCH isolation and quarantine sites, and Park Manor by DOH Med Surge Branch.
- DCYF, Whitman, and DCH debrief on activation of isolation and quarantine for Master's Ranch – West juveniles; successful collaboration.
- Approval of WWEM part-time temp position for logistics by the Board of County Commissioners.
- 1 nurse and 1 disease investigator on staff over the weekend as cases come in over the weekend.
- All of our cases to date are from a known exposure; we're not seeing community spread.
- Arrival of 36,000 masks for low-income population in time for Governor's face mask mandate. Rapid distribution by Blue Mountain Action Council (BMAC) to nearly 30 agencies and on 6/30/20 at 4 locations in the community.
- With the assistance of DCH, PSMMC received Remdesivir.
- Concerns for availability of childcare for essential workers.
- DCH and PSMMC community outreach event at First Fruits; mask distribution and information sharing.
- Reopening workgroup recommendation – though no longer required for businesses, a contact log is a good practice.
- Having Covid safety plans in place at businesses benefits successful response to positive employees, as seen recently at a local restaurant.
- City of College Place Hand sanitizer and mask distribution on Tuesday (300 vehicles) and Thursday (400 vehicles).
- CEPHEID rapid testing machine arrived at PSMMC; planning to be up today.

# SITUATION REPORT #90

- Meeting last week with USFS/DNR to discuss preplanning for COVID testing, isolation and quarantine.
- AI fresco dining in Downtown Walla Walla working well.

## 3. Risks and challenges

- COVID-19 Cases–
  - Total Confirmed Cases: 234
    - Active: 69
      - ❖ Home Isolation: 67
      - ❖ Hospitalized: 2 (Walla Walla County residents)
  - Recovered: 162
  - Deaths: 3
- Concern for rapid spread at congregated facilities.
- Cross-jurisdictional coordination with Umatilla County, OR, Benton/Franklin County, WA.
- Ongoing thoughtful, timely communications.
- Multiple testing platforms needed to overcome COVID19 testing challenges.
- Shortages in the supply chain for disinfecting supplies.
- We are still at Phase 2 and need to continue to follow Phase 2 guidance.
- Increase in number of cases in the community.
- There are production shortages of rapid testing supplies for the new Cepheid machine. PSMMC is, for now, limited to 180 kits per week.
- Availability of PAPR hoods for 3M versa flow machines at PSMMC.
- Availability of masks for those who cannot afford them.
- DCH receiving lots of inquiries on their hotline about Governor Inslee's masking requirement.
- PSMMC is close to capacity in the ICU; hospital is overall very full.
- Lab Corp turnaround time has increased; over 120 hours.
- **Critical** shortage of disinfectant; no June or July delivery at the hospital yet. Sourcing is difficult. LTCs also seeing this challenge (using different vendors such as CISCO – food supply). Not surface cleaning supplies, but specialized disinfectant for specialized equipment.
- High rate of Covid cases in neighboring counties in both WA and OR. Continued concerns about nonessential travel to/from these counties causing an increase in our case count.
- Overlap among counties for services, work, medical care and families.
- Possibility of moving counties back in phases of the Governors Safe Start reopening plan causing more movement out of affected counties into neighboring counties who are more open.

## 4. Future operational plans (24, 48, and 72 hours out)

- Emergency Management is activated at **Level 2 – Limited Operations** (virtual, with no face-to-face contact).
- WWEM acting as liaison to Washington National Guard (WNG).
- WWEM coordination with WSDA and Blue Mountain Action Council (BMAC) for Food Assistance Program.
- WWEM continued collection of donations from the community.
- Coordination and communication with Unified Area Command State Emergency Operations Center (UAC SEOC).
- Monitor WebEOC Resource Tracker for delivery of supplies from Washington State to Walla Walla County.

# SITUATION REPORT #90

- Submission of new resource requests on WebEOC.
- WWEM distribution of resources.
- DCH weekend staffing.
- DCH Spanish-language outreach program to improve message to Spanish speaking community.
- Unified Command EOC conference calls, **effective 7/13/20, Monday-Thursday (from Monday-Wednesday-Friday schedule).**
- Weekly ESF6 Human Services weekly conference calls.
- PSMCC maintaining daily sit reports.
- EMS providers tracking PPE use with CDC PPE Burn Rate Calculator.
- Continue work with the media.
- DCH case investigation/contact tracing of positive cases.
- Continued LTC/SNF/ALF isolation/surge planning/coordination.
- Ongoing communications of the State's 'Smart Start' information down to the local level to ensure local businesses understand the requirements for Phase 2 operations.
- Reopening Business Workgroup will continue its weekly Business Resource Town Hall (T/Th, 9 am).
  - Developing messaging for people coming to Walla Walla about being safe.
  - Visit Walla Walla kiosk giving out masks to visitors who arrive without one.
  - Development of a postcard to be given out with masks for hotels, short-term rentals or visitors
- REDi HCC staff are facilitating a weekly regional virtual meeting where leads from local health jurisdictions (public health), Emergency Management, EMS, and healthcare gather virtually to provide updates regarding COVID cases in their county, data trends, response gaps/needs, and successes. They are also facilitating bi-weekly meetings with these agencies that includes the Department of Corrections because of an outbreak at the Coyote Ridge correctional facility.
- REDi HCC convening daily hospital capacity and surge call; ICU beds and patient transfer. Sacred Heart Spokane has activated DMCC, working with RC3 at Harborview (connect eastside and westside for bed availability)
- DCH to strategize distribution of 5,000 masks.
- DCH hotline receiving many calls on face coverings.
- **Providence St. Mary's Cepheid Platform expected to be operational today, Monday, July 13<sup>th</sup>.**
- **Increasing case count; equals more risk of community transmission.**
- **DCH continue to work with businesses (restaurants) to monitor employees for symptoms.**
- **DCH onboarding new case investigation/contact tracing software.**
